Note

K G Ranganah while applying for the scholarship stated that he was in the second years course in the Veterinary College, Bombay

Sl No 3(a)-

The Inspector General while recommending the petitioner to the scholarship stated that he commenced his second year course in June 96 (Sl No 3)

On the understanding that the petitioner would complete the course by the end of April 1898, the course being of 3 years, Govt were pleased to sanction a scholarship of Rs 25 per mensem from 1st November 96 to May 18 (vide Sl No 6)

The date of the final examn having been changed from April to September 1898, the scholarship was made tenable till the end of September 1898

Sl No 708

1st years course finished
2nd years course commenced in June 96 & ended in April 97
3rd years course from June 97 to April 98
Examination in ~~May~~ April 98 subsequently changed to September

The scholarship was again renewed till 20th December 1898 so to allow Miss Ranganah to appear at the examination to be held in December of that year. It was even remarked in the Serial No Order that if he should fail the examination, the Scholarship would be discontinued. Serial Nos 9 & 10 Serial No 9

The present communication states that Miss Ranganah has passed the Second Professional Examination in December last and that she is preparing to present herself for the final Diploma Exam which will be held in Dec 99 and recommends that the scholarship may be continued till that month.

From the papers it is not clear why the Scholarship was continued till 20th December 1898 and why

when he did not complete
the course and appear
for the final Examination
in September 1898

Now is it clear that the
final Diploma Examination
for which the student is
preparing during this year
is quite different from and of
a much higher standard than, the
one for which he wanted
to prepare at the time when
he was granted the Scholarship

//

The last extension of
the scholarship was up to
20th Dec. 1896 by which
date it had been held for
2 yrs 11 months & 20 days
the further extension now
recommended would make
up 3 yrs & 2 months
In the analogous case
of Narsimhachariar,

same amount as
scholarship, viz. Rs. 25/- p.m. in no 1.
was made payable for
3 yrs AR 27/7

No course for a diploma or certificate
is 3 years (vide Sl no 3)
& Nanyang has a course
- M.Ed. the first year
course before the Graduate
Certificate by Govt
(vide letter) - Please
invite his attention
to this & enquire
what the final decision
is for which Nanyang
is prepared to present
candidates & whether it
is not included in the
